I grow as an individual with strong ambition, skilled in operating multiple platforms, have good spoken and verbal communication skills,. Professional with 3+ years of experience in **mobile app development** and **UI/UX designer**. Skilled in inter-team collaboration, problem solving, and project management

## EDUCATION

**Mobile Development - Mobile Development Learning Path** Feb 2023 - Jun 2023  
*Bangkit Academy led by Google, Tokopedia, Gojek, & Traveloka, Bandung, Jawa Barat*

**Bachelor's Degree - Network Multimedia Engineering** Aug 2019 - Aug 2023  
*Ujung Pandang State Polytechnic, Makassar*

## EXPERIENCE

**Student Mentor** Feb 2024 - Present  
*Bangkit Academy led by Google, Tokopedia, Gojek, & Traveloka, Bandung, Jawa Barat*

- Monitoring student progress, conducting weekly one-hour online meetings, checking student conditions, and assisting instructors during ILT sessions.
- Reminder and support for students who are behind on progress.
- Pay close attention to students' questions, concerns, and ideas, and create an open and respectful space for students to engage in meaningful discussions.

**Co-Founder** Jul 2023 - Present  
*SkinCheck.AI, Jakarta, Indonesia*

- As co-founder of Skincheck.AI, I played a key role in building the company vision and product development strategy.
- Holds a dual role as a UI/UX Designer, responsible for creating attractive and intuitive user interfaces.
- Play a role in mobile application development, implementing key features and ensuring the quality and performance of the application according to industry standards.

**Front End Web Developer** Aug 2022 - Nov 2022  
*IDMETAFORA - PT Metafora Indonesia Teknologi, Daerah Istimewa Yogyakarta, Indonesia*

- I served as a front-end developer at ID METAFORA for four months, gaining valuable experience in website development.
- I was entrusted with managing website projects for esteemed clients including PT Chandra Asri Petrochemical, Elbema, and HAMRI.
- Despite the time constraints, I successfully completed all assigned projects within the four-month duration of my tenure.

**Mobile Programmer** Feb 2022 - Feb 2023  
*BISA AI Academy (PT BISA ARTIFISIAL INDONESIA), Bandung, Jawa Barat*

- Leading a project for Bisa Artificial Indonesia, I oversee the development of the SIAKAD by Bisa AI Academy product, ensuring timely delivery and adherence to quality standards.
- Alongside UI/UX design responsibilities, I actively contribute to mobile development efforts, leveraging my skills to implement key features and functionalities for the SIAKAD application.
- Facilitating effective communication with stakeholders, I ensure alignment of project goals, gather feedback, and make informed decisions to drive project success.
